Summary

- My aim is to continue my education, gain experience, and learn valuable skills in the coding field
- I am proficient in the MERN stack and eager to learn
- Authorized to work in the US for any employer

Experience

Stocker

Walmart

- very efficient in my work and completed my tasks quickly
- was given the opportunity to gain my forklift certification and was then put in charge of managing the back-lot shortly after
- My proficiency and ability to hold responsibility allowed me to gain valuable education and skills that i would not have obtained otherwise

US Army

Medically Discharged due to fractured pelvis

- Honed my discipline and learned to push myself
- Taught me how to work with people to accomplish tasks and deal with disagreements

Tutor

Tutored Student in College level Algebra, English, and Psychology

Tutor

IKO Kyokushinkaikan World So-Kyokushin

Jan 2014 - Dec 2018 (5 years)
